

MEMORANDUM FOR: Executive Director

VIA: Deputy Director for Administration

FROM: Robert W. Magee
Director of Personnel

SUBJECT: Changes in SIS Assignment Policy

1. Attached for your signature is an SIS Notice implementing changes in the assignment policy for selected SIS officers and positions. These changes were approved in the wake of a change in our SIS position classification process which will no longer differentiate between positions at the SIS-1, SIS-2, and SIS-3 levels. All these positions will appear on the Staffing Complement as SIS-00 positions and it will thus not be possible to recognize SIS-3 positions. For your information, attachment B summarizes the changes in the SIS assignment policy.

STAT 2. The necessary regulatory changes to reflect this change in policy are underway and will appear in a revised the regulation which covers the Senior Intelligence Service.

Robert W. Magee
